Forecast For Wales
Issued by Met Office Exeter
at 1600 on Saturday 19 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showery rain overnight, becoming patchier into Sunday.

This Evening and Tonight:
Turning cloudy through the evening, with showery rain, at times heavy, moving in and becoming more widespread from the east, before easing somewhat through the early hours. Extensive low cloud developing. Minimum temperature 12 deg C (54 deg F).

Sunday:
Showery rain will gradually ease through the morning, leaving a drier but mostly cloudy afternoon for most. Some afternoon brightness and a few sharp showers in southernmost areas. Generally cool. Maximum temperature 18 deg C (64 deg F).

Outlook for Monday to Wednesday:
Cloudy, breezy and wet in the south on Monday, drier further north. More widely drier Tuesday, with sunny spells developing. Staying dry with widespread sunny spells Wednesday. Warmer by Wednesday.
